Amy, I believe the meeting invite can also be used as a newspaper notice, or press release. I am also out of the office the rest of the week and will return on Oct. 6.

Thanks,
Bill

I know that Todd got it on the calendar of events. But he has not done the press release yet. I can have another project manager work on it this week. I will let you know a contact soon. Is a press release okay or do you want it published in the paper?

Hi Bill, thanks for the quick flyer. I had just a couple of edits/inclusions.

I think Todd may have drafted the newspaper notice, and I am not sure who he coordinates with. He is out this week, so please try and find out and coordinate with that person to find out if they will be putting the notice in the paper or if we need to.

thanks

Invite attached. Please review and return. Do you want to mail and run a newspaper notice or just mail the invite? I will set up the Mayors meeting today.

Thanks,
Bill

Bill, will you please draft up a flyer to be mailed out next week to the folks on the mailing list. The meeting is on Wednesday, Oct 21 and will be held from 5 to 7. From 5 to 530 epa and deq will be available to meet with folks prior to the presentation that will begin at 530pm.

Also, will you please set up a meeting with the mayor for that morning. If the mayor is not available that morning, then please try for the day before (October 20).

THANKS
